I have finally learned
the truth about my
grandparents and am
horrified by it. They are
responsible for the
burning of the gypsy
camp outside of Cove.
All these years they
told me it had been
orcs. But it was in
retaliation for the loss
of a child, my mother,
Lylith Marie. The
gypsies were settled
near a rich vein of ore
and one of the Lir,
Malis, wanted it for his
own. They raided
Castle Lir and carried
off Marie, leaving
behind a necklace that
would identify her. I
don`t know how I am
going to atone for the
blood on our hands…
for the raids continue.
The gypsies have
moved to Minoc to
avoid contact with us.
What monsters we are.
I will not rest until this
wrong is righted, until
our loss is equal to
theirs. I am leaving Lir.

Father and Mother will
not be happy, but I
must do something to
show them that the
gypsies are innocent!
